

Windsor Pierson Lane/Kennedy Road

Trail Highlights

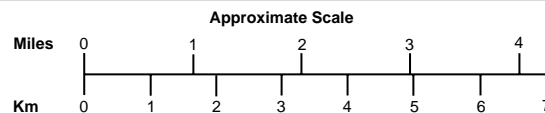

This trail starts as a concrete sidewalk at the old town green in Windsor's historic district and continues as a bituminous bike path along Kennedy Road to I-91 and a shopping center. This trail is primarily used for commuting and passive recreation and is easily accessible along its entire length by residences, a school and businesses.

Parking and Accessibility

No designated parking is available for trail users.

From I-91: Take exit 38 to Route 75. Then go south on Route 75 (Poquonock Avenue) to Route 159 (Broad Street). Take a left onto Route 159 North. Pierson Lane will be on the left. The trail is accessible anywhere along Pierson Lane and Kennedy Road.
